## Presentation Style Comments

Get out from the podium

Very professional

Good JOB!

You seemed very confident.

Great pace and confident in material.

.

great job

very confident, minimal reliance on notes

You seemed amazingly comfortable up there! Your flow was perfect, not too fast or slow. Well done

very good presentation style, but try to move around more making space of the room

Could move away from the podium more :) great job!

very comfortable just get out from behind the podium

good pace, very confident, could move from behind the podium occasionally because it seemed like

you knew the material well enough to do so

Great pace, and good eye contact. Could have used a little more animation

### Instructional Materials Comments

Good slide layout

A few spacing mistakes in handout otherwise well done

They looked good.

No major errors were observed.

Handout was easy and clear to read. Appropriate charts.

.

awesome handout

obesity charts were a bit small and hard to read on the powerpoint, maybe use 2 slides

Your handout was easy to follow and easy to look at. No complaints

very well organized, and very clean

Great job- loved your slides- clear and easy to read.

best all semester - i really liked everything you did, formatted, attention to details was well done throughout

Clear slides, thanks for orienting to graphs and putting your own charts together, seems like you worked hard on it

Slides and handout were very well done and easy to follow

5	Well organized presentations and smooth transitions (appropriate 'flow')	14	0	0	0	0	0	0	7

## Overall Presentation Content Comments

Good intro to controversy

Content was interesting and informative

Appropriate and good information

Well organized.

Transitions were smooth and well organized.

.

Great introduction, had a clearly defined controversy

background at a good level for the audience

Your overall content was engaging. You had just enough background information. It was clear how much you care about your topic.

your interest and introduction was very enthusiastic

Background content was good but a bit unorganized (personal opinion?). I think this just comes with needing to cover a bunch of smaller topics all at once- people will have different opinions on how to order them.

clear controversy, well organized, nicely done

Could demonstrate a little more enthusiasm for your topic, great info presented well though

Interesting topic because it hit on two very important health topics. Weight and Contraception.

6	Provided a detailed & thoughtful analysis of study strengths and limitations	13	1	0	0	0	0	0	0	6.93

### Presentation of Clinical Data Comments

Good keeping track of withdrawals

Trial results well represented

Strongest area as you were able to look at the big picture as well as what was pertinent to your topic.

good job of analyzing, especially with multiple types of studies

Presented a detailed and thoughtful analysis of the strengths and weaknesses of the study.

.

Great statistics section

good job on strengths and limitations especially with regard to your topic

The clinical data was concise, at no point was I confused.

you did a really good job presenting the data, very good thought into strengths and limitations

GREAT analysis of strengths and weaknesses!

very difficult to do - appeared to be only so much data to share but you did well

Great analysis of data beyond just what the studies told you

Strong analysis of the studies.

4	Discussed the role of the pharmacist and/or impact to the profession of pharmacy in regards to the use of the treatment	14	0	0	0	0	0	0	7

## Conclusions Comments

Copper IUD for EC? Is that practical?

Good discussion of pharmacist role

I agreed with your conclusions

your conclusions made sense given the data presented

Appropriate role for the community pharmacist.

.

Great job

strong conclusions, good speculation on potential solution

I felt that your conclusion was strong. You supported your points well and you stuck to your guns when challenged.

conclusions were specific to your seminar and well thought out

Clinical importance of the controversy was definitely emphasized- good job. Obesity is a rising problem and so is overuse of emergency contraceptive. GOOD PHARMACIST ROLE. Very nice job!

very appropriate given the lack of excellent studies

Strong conclusions, gave your own opinion and added info outside of just the studies

Very clinically important topic and something that I would not have thought about. Good discussion about sensitivity to these topics.

## Question Answer Session

1	Succinctly, yet thoroughly answered audience questions	12	2	0	0	0	0	0	6.86
2	Encouraged questions and interaction with the audience	14	0	0	0	0	0	0	7

## Question Answer Session Comments

Though questions good answers

Great job answering questions and thinking critically about them

You started answering the questions before you had a concise answer. It's ok to pause and gather your thoughts before answering.

questions were encouraged and properly addressed

Answered all questions that were asked.

.

Great questions and answers

can tell from your answering of questions that you knew the material

You answered all the questions well, you really seemed to know your stuff.

handled them amazingly

Try to theorize if you don't have a solid answer in mind.

tons of questions, very encouraging

Well prepared for questions and answered them very well

Very good on her feet.

### Overall Knowledge Base Comments

Good outside knowledge

Great knowledge base, could tell you were interested in the topic

It was obvious you were knowledgeable of the subject.

Good overall knowledge of the topic

Was able to think and provide information beyond the slides.

.

great overall knowledge base

no additional comments, good job answering questions with tact

You clearly knew your stuff extremely well. As I said before, you had no problems answering questions.

you were so comfortable i could tell, it was easy for you to think on your feet

Very good personal insight added- I really appreciated that you hit on the sensitivity of both issues (obesity & e. contraceptive).

you knew your stuff and didn't have a hard time thinking outside the box

Great knowledge of material, you didn't seem to need to read off the slides and knew info beyond just what was in your slides

Some questions forced her to really think on her feet and she did a great job

### **Provide one comment on what you liked about this seminar**

The topic was awesome

The topic was very interesting and very applicable to clinical practice

You evaluation of the data.

Your confidence

Interesting topic.

Very applicable topic to a lot of pharmacists

had a great introduction and background

objectives were well layed out and useful for self evaluation

I really liked how comfortable you were with the material. I also really liked your pace.

it was very interesting and clear

By far your thoughtful evaluation of the strengths and weaknesses.

Formatting, look and feel of slides, very very professional

Interesting topic, well organized, pertinent info for the audience

Interesting topic that is very relevant

### **Provide one comment on what could be improved about this seminar**

When you say to be sensitive about approaching the subject, give us an example.

Maybe a little more movement from behind the podium during presentation

Take a second to pause and really think about the questions before answering.

nothing obvious

Confident but nervous.

A little bit of movement while presenting

nothing

you know a lot on the topic, don't be afraid to speculate when you didn't find research to directly answer a question

I can't think of much that would improve your seminar. The background on some parts was a bit dark and tough to read

moving around

Underline or bold text that is important.

move around, get out from the podium

Move from behind the podium

Could use a little motion or animation to bring a little more excitement to the presentation

## General Comments

Good slides

Thanks for an interesting topic!

Overall, great job!

great seminar

Great job.

Good job.

great job
